IMPORTANT DEADLINES

Deadline for submission of abstracts	June 30, 2022
Deadline for reduced registration fee	June 30, 2022

After long discussions and with a heavy heart the Baltic Society of Phlebology has made the decision to temporarily suspend Russian and Belarusian phlebologists from active participation in the Society.

CALL FOR ABSTRACT

The Scientific Committee invites all participants to contribute to the scientific programme by submitting an abstract for a presentation as a paper or video. Abstracts must be submitted by June 30, 2022. Abstracts received after this date will not be considered.

SUBMISSION RULES

Abstract submission deadline: June 30, 2022.

Abstract acceptance notice: July 15, 2022.

Abstracts must be submitted using the pre-formatted form below.

All abstracts must be submitted in English.

Please state your preference for oral scientific, oral case presentation or video presentation.

The preformatted submission form is formatted as follows

Abstract type ☐ Oral scientific presentation ☐ Oral case presentation ☐ Video presentation

Entire title in capital letters without abbreviations.

Presenter: Entire title in capital letters without abbreviations.

Authors: Give initials first, then surname without title or degrees. The presenting author's name should be included here. Authors not listed will be omitted from published materials.

Affiliation: Give each author's details (Department, Institution, City, Country)

Abstract body: The following steps should be used to prepare the abstract:

Purpose: Begin with a short statement of the purpose of the study.

Materials or Subjects: Describe the materials or subjects examined.

Methods: Follow with a concise description of how the project was performed.

Results: When reporting the results, describe what has been learned, not what is hoped to be learned.

Conclusions: End with a conclusion directly supported by the results of data, pointing out the relevance and/or significance of the findings

Abstract Size: The abstract should not exceed 500 words. No abstract with deferred outcome data will be considered.

Abstract type: ☐ Oral Communication

Oral scientific presentations are allocated with 7 minutes and 5 minutes for discussion
